

Invitation for Local Stakeholders Consultation Meeting

The Rajasthan Electronics & Instruments Ltd. (REIL) is supplying, installing & commissioning of total 11 MW off-grid Solar power packs to all Bharat Nirman Rajeev Gandhi Seva Kendras in Rajasthan. The project will be considered as Clean Development Mechanism project under the Kyoto Protocol of UNFCCC.

The local stakeholder consultation meeting will be convened at Gram Panchayat, Guharbarsal Village, Dudu Panchayat Samiti, Jaipur on 18th August 2011. All interested villagers, employees, community members, regulators and others are requested to attend and contribute the discussion.

Project Participants:

Rural Development and Panchayati Raj Department, Jaipur, Rajasthan

Rajasthan Electronics & Instruments limited, Jaipur, Rajasthan
